

Srivari Spices and Foods Limited

Annual Report 2023-24

Chairman's Message

Dear Shareholders,

I am delighted to address you all today to discuss Srivari Spices and Foods Ltd.'s remarkable performance in FY24. We have witnessed a phenomenal year of growth, achieving more than a 100% increase in both revenue and net profits compared to FY23. This commendable achievement is a testament to our team's hard work, dedication, and strategic vision.

Our success can be attributed to several key factors. First, our continuous efforts in launching new and innovative products have allowed us to meet the evolving needs and preferences of our customers. We have also expanded our distribution network and sales channels, enabling us to reach new markets and cater to a broader audience.

Moreover, our strategic factory expansion has increased our production capacity, allowing us to keep pace with growing demand. We have also taken a significant step forward by announcing a rights issue to support our growth in the oil segment and meet our working capital requirements. This move will further strengthen our financial position and enable us to continue on our growth trajectory.

Currently, our products are available across leading e-commerce platforms such as Dmart Online, Reliance Jiomart, Bigbasket, and many more. As we look ahead, we are excited about the opportunity to introduce our products to new retail giants, including Lulu, Metro Cash and Carry, the National Mart, Swiggy Instamart, Blinkit, Jumbotail, and Dmart Offline Superstores.

I want to take this moment to express my deepest gratitude to all our stakeholders, shareholders, and employees. Your unwavering support, trust, and commitment have been invaluable to our journey. To our shareholders, thank you for believing in our vision and supporting our strategic decisions. To our stakeholders, thank you for your partnership and collaboration, which have been instrumental in driving our growth. And to our dedicated employees, your passion, hard work, and innovation are the foundation of our success.

As we continue to grow and evolve, I am confident that we will achieve even greater milestones in the future. Together, we will continue to build a stronger, more dynamic Srivari Spices and Foods Ltd.

Sincerely,
Narayan Das Rathi

If Member casts vote through Remote E-voting and also at the AGM, then voting done through Remote E-voting shall prevail and voting done at the AGM shall be treated as invalid.

8.1 VOTING THROUGH ELECTRONIC MEANS:

Details of E-Voting:

The business as set out in the Notice may be transacted through an electronic voting system and the Company is providing the facility for voting by electronic means. Pursuant to the provisions of Section 108 of the Companies Act, 2013, read with the Companies (Management and Administration) Rules, 2014, the Company is pleased to offer e-voting facility as an alternate to its members to cast their votes electronically on all resolutions set forth in the Notice convening the 05th Annual General Meeting.

The Company has engaged the services of Bigshare Services Private Limited ('Bigshare') to provide the E-voting facility.

The e-voting period will commence on Friday, 27th September, 2024 at 09:00 a.m. (IST) and will end on Sunday, 29th September, 2024 at 05:00 p.m. (IST). During this period, members of the company, holding shares either in Physical form or in Dematerialized form, as on the **Cut-Off Date** i.e., **Monday, 23rd September, 2024**, may cast their vote electronically. The Remote E-Voting shall not be allowed beyond **29th September, 2024 at 05:00 p.m. (IST)** and the e-voting module shall be disabled by CDSL for voting thereafter.

THE INSTRUCTIONS OF SHAREHOLDERS FOR REMOTE E-VOTING ARE AS UNDER:

- i. The voting period begins on **Friday, 27th September, 2024 at 09:00 a.m. (IST)** and ends on **Sunday, 29th September, 2024 at 05:00 p.m. (IST)**. During this period shareholders' of the Company, holding shares either in physical form or in dematerialized form, as on the cut-off date (record date) of **Monday, 23rd September, 2024** may cast their vote electronically. The e-voting module shall be disabled by Bigshare for voting thereafter.
- ii. Shareholders who have already voted prior to the meeting date would not be entitled to vote at the meeting venue.

- iii. Pursuant to SEBI Circular No. **SEBI/HO/CFD/CMD/CIR/P/2020/242 dated 09.12.2020**, under Regulation 44 of Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015, listed entities are required to provide remote e-voting facility to its shareholders, in respect of all shareholders' resolutions. However, it has been observed that the participation by the public non-institutional shareholders/retail shareholders is at a negligible level.

Currently, there are multiple e-voting service providers (ESPs) providing e-voting facility to listed entities in India. This necessitates registration on various ESPs and maintenance of multiple user IDs and passwords by the shareholders.

In order to increase the efficiency of the voting process, pursuant to a public consultation, it has been decided to enable e-voting to **all the demat account holders, by way of a single login credential, through their demat accounts/ websites of Depositories/ Depository Participants**. Demat account holders would be able to cast their vote without having to register again with the ESPs, thereby, not only facilitating seamless authentication but also enhancing ease and convenience of participating in e-voting process.

- iv. In terms of SEBI circular no. SEBI/HO/CFD/CMD/CIR/P/2020/242 dated December 9, 2020 on e-Voting facility provided by Listed Companies, Individual shareholders holding securities in demat mode are allowed to vote through their demat account maintained with Depositories and Depository Participants. Explanatory Statement
(Pursuant to Section 102 of the Companies Act, 2013)

Item No.3:**To consider and appoint Mr. Venkata Srinivasan Kodakalla (DIN: 10254552) as an Independent Director of the Company**

Pursuant to Section 161 of the Companies Act, 2013, the Board at its meeting held on 28th May, 2024, appointed Mr. Venkata Srinivasan Kodakalla (DIN: 10254552) as an Additional Director in the category of Non-Executive Independent Director of the Company w.e.f. May 28, 2024 who shall hold office till the next General Meeting of the Company.

The Board further in its meeting held on 04th September 2024 recommended his appointment, for a term of five (5) years with effect from 28th May, 2024 till 27th May, 2029 (both days inclusive), to the shareholders through the special resolution.

The Company has received:

- (i) Consent in writing from Mr. Venkata Srinivasan Kodakalla to act as Director in Form DIR 2 pursuant to Rule 8 of the Companies (Appointment & Qualification of Directors) Rules, 2014 ('Appointment Rules');
- (ii) Intimation in Form DIR 8 in terms of the Appointment Rules from Mr. Venkata Srinivasan Kodakalla to the effect that he is not disqualified under sub-section (2) of Section 164 of the Act;
- (iii) A declaration to the effect that he meets the criteria of independence as provided in sub-section (6) of Section 149 of the Act and under Listing Regulations;
- (iv) A declaration pursuant to BSE Circular No. LIST/COMP/14/2018-19 dated June 20, 2018, and NSE Circular No. NSE/ CML/2018/24 dated June 20, 2018 that he has not been debarred from holding office of a Director by virtue of any Order passed by the Securities and Exchange Board of India or any other such authority;
- (v) A notice in writing by a member proposing his candidature under Section 160(1) of the Act.

Mr. Venkata Srinivasan Kodakalla holds an MBA in Marketing from Acharya Nagarjuna University, an MA in Public Personnel Management (PPM) from Osmania University, and a BSc in Botany, Zoology, and Chemistry (BZC) from Andhra University. For the appointment of Mr. Srinivasan, the Nomination and Remuneration Committee ("NRC") took into consideration his rich experience in financial analysis, sales & marketing, strategic planning and management of overall business operations. Further, NRC recommended the candidature of Mr. Srinivasan. The Board noted that Mr. Srinivasan's skills, background and experience are aligned to the role and capabilities identified by the NRC and Mr. Srinivasan is eligible for appointment as an Independent Director.

The Board was satisfied that the appointment of Mr. Srinivasan is justified due to the expertise mentioned above.

He currently holds directorship in one company:- a) Arun Power Projects Limited

Mr. Srinivasan has confirmed that he is in compliance with Rules 6(1) and 6(2) of the Companies (Appointment and Qualification of Directors) Rules, 2014, with respect to his registration with the data bank of Independent Directors maintained by the Indian Institute of Corporate Affairs.

Further he has confirmed that, he had not been a partner of a firm that had transactions during last three financial years with Srivari Spices and Foods Limited amounting to ten percent or more of its gross turnover.

He shall be entitled to payment of sitting fees for attending the meetings of the Board or committee thereof either personally or through Video conference or other audio-visual means, as may be decided by the Board of Directors. The sittings fees payable shall be within the limits mandated under the Companies Act, 2013 and Rules made thereunder (as amended from time to time).

Further, Mr. Srinivasan has confirmed that he is not aware of any circumstance or situation which exists or may be reasonably anticipated that could impair or impact his ability to discharge his duties as an Independent Director of the Company.

In the opinion of the Board, Mr. Srinivasan fulfills the conditions for independence specified in the Act, the Rules made thereunder, and the Listing Regulations and such other laws/regulations for the time being in force, to the extent applicable to the Company.

All the material documents referred to in the Notice and Explanatory Statement are available for inspection without any fee by the members as mentioned in point no. 7 of notes to the notice of AGM. The profile and specific areas of expertise and other relevant information as required under Listing Regulations and SS-2 are provided as an annexure.

In compliance with the provisions of Section 149 read with Schedule IV to the Act and Regulation 17 of the Listing Regulations, the approval of the Members is sought for the appointment of Mr. Venkata Srinivasan Kodakalla as an Independent Director of the Company, through a special resolution as set out above.

None of the Directors and/or Key Managerial Personnel of the Company and their relatives except Mr. Venkata Srinivasan Kodakalla to whom the resolution relates are concerned or interested financially or otherwise in the resolution set out at Item No. 3 of the Notice.

The Board recommends the special resolution set out at Item No. 3 of the Notice for the approval of Member

INDIA SPICES MARKET**Market Overview:**

The India spices market size reached INR 1,80,760 Crores in 2023. Looking forward, the publisher expects the market to reach INR 4,70,339 Crores by 2032, exhibiting a CAGR of 11% during 2024-2032. The growing product demand in the food and beverage (F&B) sector, widespread adoption of spices for medicinal purposes, government support, sustainable sourcing, continuous innovation, and introduction of new blends are some of the major factors propelling the market.

India Spices Market Trends/Drivers:***The growing food and beverage (F&B) industry***

The food and beverage industry in India is driven by changing consumer preferences, increasing disposable incomes, urbanization, and a diverse culinary region. In addition, the increasing demand for processed and convenience foods is leading to a higher consumption of spices in various food products, thus influencing market growth. Moreover, Indian spices are essential in enhancing the aroma, flavor and sensory appeal of food items, and are widely employed as natural seasonings and colorants in several cuisines, from traditional Indian dishes to international delicacies represents another major growth-inducing factor. Besides this, the food processing industry relies heavily on spices to add distinct tastes to snacks in the formulation of new food products, catering to the evolving palate of consumers. Along with this, the rising popularity of health and wellness foods is further accelerating the demand for spices with medicinal properties, such as turmeric, ginger, and black pepper, contributing to their increased consumption in functional food and nutraceutical products.

South India exhibits a clear dominance in the market

The report has also provided a comprehensive analysis of all the major regional markets, which includes South India, North India, West and Central India, and East India. According to the report, South India accounted for the largest market share.

South India is dominating the Indian spices market, due to their ideal tropical climate conditions for cultivating several spices. The region's unique geographical features, including fertile soils and abundant rainfall, contribute to the cultivation of key spices such as black pepper, cardamom, turmeric, cloves, and cinnamon.

Additionally, the traditional knowledge and expertise passed down through generations allow farmers in South India to produce high-quality spices that cater to various culinary preferences and applications. The region's spices are valued not only for their distinctive taste and aroma but also for their medicinal properties, which add to their allure. Furthermore, South India's dominance in the Indian spices market is further strengthened by efficient processing facilities, state-of-the-art spice parks, and well-established supply chains that ensure a steady flow of spices to consumers across India and around the world. The region's robust infrastructure and reputation for producing premium-quality spices reinforce its leading position in the Indian spice industry.

The implementation of government Initiatives

The Government of India is supporting and promoting the spice industry through various initiatives and export promotion strategies and recognizing the immense potential of spices in contributing to the country's economy. In addition, the implementation of several initiatives to enhance production, quality, and international trade of spices are influencing the market growth. Moreover, the establishment of the spices board of India, an autonomous body under the ministry of commerce and Industry to ensure the development and promotion of the Indian spice industry by implementing quality control measures, conducting research, and facilitating market access for Indian spices represents another major growth-inducing factor. Along with this, the government is also providing financial assistance and subsidies to farmers and spice growers to encourage spice cultivation and adoption of modern agricultural practices, thus influencing the market growth. These incentives help farmers invest in infrastructure, technology, and research for improved spice production and quality. Furthermore, to maintain the quality and safety standards of Indian spices, the government has set up spices parks and testing laboratories across the country to facilitate processing, grading, and quality certification of spices, accelerating their export prospects and enhancing the reputation of Indian spices in international markets.

INDIA PACKAGED ATTA

The India packaged atta (wheat flour) market size reached INR 73.9 Billion in 2023. Looking forward, IMARC Group expects the market to reach INR 242.8 Billion by 2032, exhibiting a growth rate (CAGR) of 13.71% during 2024-2032. An enhanced focus on hygiene and sanitation, the rising need for convenience and elimination of manual grinding and sifting of wheat grains, and changing consumer lifestyles represent some of the key factors driving the market.

An Enhanced Focus on Hygiene and Sanitation is Augmenting the Market Growth

The packaged atta (wheat flour) market in India has been experiencing continuous growth. An enhanced focus on hygiene and sanitation currently represents one of the primary drivers resulting in the increasing sales of packaged atta. Packaging of atta safeguards the product from external contaminants and prevents any tampering or exposure to unfavorable environmental conditions. In addition to this, the sealed packaging ensures that the atta remains fresh, clean, and intact until it is opened by the end user. The rising concerns regarding food contamination, along with an enhanced emphasis on quality assurance in packaged atta, serves the growing consumer demand for safe and reliable food products.

Competitive analysis such as market structure, market share by key players, player positioning, top winning strategies, competitive dashboard, and company evaluation quadrant has been covered in the report. Also, detailed profiles of all major companies have been provided.

What is Packaged Atta?

Packaged atta refers to finely ground commercial wheat flour with a uniform texture that is packaged and sold in sealed bags or containers for consumer use. Packaged atta brands typically provide flour enriched with nutrients, such as iron and folic acid while ensuring consistent quality and texture for optimal baking and cooking outcomes. In addition to this, majority of the packaged atta brands provide nutritional information on their packaging, thereby enabling consumers make informed choices based on their dietary needs. Also, the packaging of atta helps to extend the shelf life by protecting it from moisture and external contaminants and offers convenience for handling and storage. It is commonly used in the formulation of various wheat-based products such as chapatis, bread, and pastries.

COVID-19 Impact:

The COVID-19 pandemic outbreak has caused a severe problem in the packaged atta industry and imposed unprecedented challenges in India. It led to a significant increase in demand for packaged goods, propelled by the growing concerns regarding safety and hygiene. The consumers rushed to stock up on essential items, including packaged atta, due to the fear of potential product unavailability during the lockdown. The sudden rise in demand resulted in the trend of bulk buying and hoarding of staple food items and caused severe supply shortages in the market. The increasing preference for packaged atta was also influenced by the shift in shopping patterns toward supermarkets and online platforms predominantly dealing in packaged items, even in semi-urban and rural areas of India. However, as the COVID-19 cases came toward a decline, the supply chain and market supply were increased and the balance has been restored, and the market is anticipated to face steady growth opportunities in future.

India Packaged Atta Market Trends:

The market in India is primarily driven by the rising need for convenience and elimination of manual grinding and sifting of wheat grains. In line with this, rapid urbanization across the country, along with changing consumer lifestyles, is resulting in an augmented demand for convenience food products, which,

in turn, is fueling the market. Moreover, a considerable rise in concerns regarding adulteration and contamination in unbranded or unregulated products is resulting in the higher uptake of packaged atta. In addition to this, the implementation of rigorous quality control processes during production and packaging to market it as a safer and more reliable option is providing an impetus to the market. Also, the rising need for staples with longer shelf life facilitating reduced food spoilage and wastage is further propelling the demand for packaged atta. Furthermore, the rapid expansion of organized retail in the country, such as supermarkets, hypermarkets, and online grocery platforms, is resulting in a higher product uptake.

Key Market Segmentation:

IMARC Group provides an analysis of the key trends in each segment of the India packaged atta market, along with forecasts at the regional levels from 2024-2032. Our report has categorized the market based on product type, pack type, pack size and distribution channel.

Product Type Insights:

- Whole Wheat
- Multigrain

The report has provided a detailed breakup and analysis of the packaged atta market based on the product type. This includes whole wheat and multigrain. According to the report, whole wheat represented the largest segment due to the presence of higher nutritional content compared to refined wheat flour. In addition, the growing consumer demand for natural and authentic food products that are less processed and closer to their original form is impacting the market positively.

Pack Type Insights:

- Pouches
- Woven Bags

A detailed breakup and analysis of the packaged atta market based on the pack type has also been provided in the report. This includes pouches and woven bags. According to the report, pouches accounted for the largest market share due to their enhanced convenience and portability, thereby making them a popular choice for consumers. Moreover, pouches help in extending the shelf life of atta by providing a protective barrier against moisture and air.

Pack Size Insights:

- 10 KG
- 5 KG
- 1 KG
- Others

A detailed breakup and analysis of the packaged atta market based on the pack size has also been provided in the report. This includes 10 KG, 5 KG, 1 KG, and others. According to the report, 10 KG accounted for the largest market share on account of the pack size enabling consumers to purchase atta in bulk at a relatively lower price per kilogram as compared to smaller packaging sizes. In addition, a greater size reduces the frequency of purchasing and enhances convenience in households with multiple members.

Distribution Channel Insights:

- General Trade
 - Convenience Stores
 - Kirana Stores
- Modern Trade
 - Supermarkets
 - Hypermarkets
 - Specialty Stores
- Online and E-Commerce

A detailed breakup and analysis of the packaged atta market based on the distribution channel has also been provided in the report. This includes general trade (Convenience Stores, Kirana Stores), modern trade (supermarkets, hypermarkets and specialty stores), and Online and E-Commerce. According to the report, general trade accounted for the largest market share on account of the general trade segment serving a broad consumer base across various regions and socio-economic strata. Apart from this, the general trade segment comprises local retailers with an extensive distribution network across both urban and rural areas, even to remote areas, which is propelling the segment growth.

BUSINESS OVERVIEW

Our Company was incorporated on January 29, 2019 as '**Srivari Spices and Foods Private Limited**', a private limited company under the Companies Act, 2013, pursuant to a certificate of incorporation dated January 30, 2019 issued by the Deputy Registrar of Companies, Central Registration Centre. Subsequently, our Company was converted into a public limited company and consequently the name of our Company was changed to '**Srivari Spices and Foods Limited**' and a fresh certificate of incorporation dated December 27, 2022 was issued by the Registrar of Companies, Telangana at Hyderabad. The corporate identification number of our Company is **L15494TG2019PLC130131**.

Our Company is engaged in the business of manufacturing spices and flour (chakki atta) and market and sell it in and around Telangana and Andhra Pradesh. We handpick our raw materials from various parts of the country and process our products with utmost care without the use of artificial preservatives or chemicals, thereby creating a product portfolio of organic spices and flour, which carry the freshness and goodness of each ingredient. Our

unique business model has helped us penetrate the niche segment of our market and establish a customer base in and around Telangana and Andhra Pradesh. Our goal since our incorporation was to manufacture quality spices and other food products which are organic and do not contain any artificial preservatives or chemicals, and in order to achieve our goal we have created a unique business model, wherein we manufacture and package our products in quantities which can sustain a customer until the shelf life of our product, in order to avoid wastage and deliver a wide range of products which carry the freshness and goodness of each ingredient. Our business has two model first is direct to customer ("**D2C**") in nature, wherein we deliver our products directly at the doorstep of our customers using approximately 15,000 retail stores. Secondly, we also work in business to business ("**B2B**"), wherein we deliver to our products to the suppliers directly.

BUSINESS STRATEGY:

As part of our marketing and promotional initiatives, the company organized a **'Dealer Mega Meet'** in January 2024, bringing together retailers, wholesalers, and dealers from across Hyderabad, Telangana, India. This event was designed to strengthen relationships with our distribution network and drive sales growth.

During the Mega Meet, we introduced a range of attractive schemes tailored to help dealers meet their sales targets. These schemes were structured with various incentive levels, providing dealers with opportunities to maximize their benefits based on the chosen slabs.

In addition to the incentive schemes, we hosted a lucky draw to further engage participants. Prizes included tickets to Goa and Tirupati, as well as high-value items such as laptops and three TVS iCube Electric Vehicles. This approach not only motivated dealers but also fostered a sense of excitement and commitment towards achieving their sales objectives.

BRAND MARKETING:

The company launched a promotional campaign at Secunderabad Railway Station, deploying 400 advertisement boards throughout the station. This high-visibility campaign was designed to boost brand recognition and increase product awareness among the extensive number of commuters passing through this major transportation hub.

AWARDS:

In 2023, the company was honored with the prestigious ‘**Excellence in FMCG Spices Brand**’ award by The Times Group. This award recognizes our commitment to quality and innovation in the fast-moving consumer goods (FMCG) sector, specifically within the spices category. The award underscores our leadership in delivering exceptional products that meet the highest standards of excellence and customer satisfaction. It reflects the dedication of our team and the trust placed in us by consumers. This recognition from a leading media organization highlights our ongoing efforts to excel in a competitive market and reaffirms our position as a prominent player in the FMCG spices industry.

OPPORTUNITIES, THREATS & CHALLENGES:

A. Opportunities:

- **Health Trends:** Growing consumer interest in health and wellness creates opportunities for products with added health benefits, such as whole-grain atta or spices with medicinal properties.
- **E-commerce Growth:** The rise of online shopping allows companies to reach a broader audience and tap into new markets, including international consumers.
- **Premium Products:** There is a growing market for organic, premium, and specialty spices and flours, driven by increasing consumer awareness and willingness to pay more for high-quality products.
- **Innovation in Processing:** Advances in food processing and preservation technologies can enhance product quality and extend shelf life.
- **Culinary Trends:** The popularity of international cuisines and culinary experimentation can drive demand for diverse and exotic spices.

B. Threats

- **Economic Downturns:** Economic instability can impact consumer spending and shift preferences towards cheaper alternatives.
- **Competition:** The industry faces competition from both local producers and international brands, which can drive prices down and squeeze margins.
- **Climate Change:** Adverse weather conditions and climate change can affect crop yields and the availability of raw materials.
- **Counterfeiting and Fraud:** The presence of counterfeit or adulterated products can damage brand reputation and lead to regulatory issues.
- **Changing Consumer Preferences:** Shifts in consumer preferences, such as a move towards gluten-free diets, can affect demand for traditional atta

C. Challenges

i) Maintaining Quality and Consistency:

- **Quality Control:** Ensuring consistent quality in spices and atta requires rigorous quality control measures and effective supply chain management.
- **Storage and Preservation:** Proper storage to prevent spoilage and contamination is critical, given the perishable nature of some products.

ii) Cost Management:

- **Raw Material Costs:** Managing fluctuating costs of raw materials and production inputs while maintaining competitive pricing can be challenging.
- **Operational Efficiency:** Streamlining operations to reduce costs and improve efficiency without compromising quality is a continuous challenge.

iii) Consumer Preferences:

- **Shifting Trends:** Adapting to changing consumer preferences, such as increased demand for gluten-free or plant-based options, requires flexibility and innovation.
- **Market Saturation:** In mature markets, achieving growth can be difficult due to saturation and changing consumer habits.

iv) Technological Adaptation:

- **Adopting New Technologies:** Investing in new technologies for production, quality control, and customer engagement can be capital-intensive but necessary for staying competitive.
- **Digital Transformation:** Embracing digital tools for marketing, sales, and operations is essential for modernizing the business and meeting consumer expectations.

RISKS AND CONCERNS:

i) Supply Chain Risks

- **Raw Material Shortages:** Dependence on specific regions for spices and grains makes the industry vulnerable to disruptions due to crop failures, natural disasters, or political instability.
- **Transportation Disruptions:** Delays or issues in transportation and logistics can affect the timely delivery of raw materials and finished products, impacting inventory levels and customer satisfaction.

ii) Quality and Safety Concerns

- **Contamination:** Risks of contamination from pesticides, pollutants, or improper handling can affect the quality and safety of spices and atta. This can lead to health risks for consumers and potential recalls.
- **Quality Variability:** Inconsistent quality of raw materials can lead to variability in the final product, affecting brand reputation and customer trust.

iii) Economic Risks

- **Price Volatility:** Fluctuations in the prices of raw materials due to market speculation, geopolitical issues, or climate impacts can affect production costs and profit margins.
- **Economic Downturns:** Economic slowdowns can lead to reduced consumer spending, impacting sales and profitability, particularly for premium or specialty products.

iv) Regulatory and Compliance Issues

- **Regulatory Changes:** Evolving food safety regulations, labeling requirements, and standards can create compliance challenges and increase operational costs.
- **Legal Risks:** Failure to adhere to regulatory requirements can result in legal penalties, product recalls, or damage to brand reputation.

v) Environmental Concerns

- **Climate Change:** Adverse effects of climate change, such as droughts or floods, can impact the availability and quality of raw materials like spices and grains.
- **Sustainability Pressures:** Increasing consumer and regulatory demands for sustainable and environmentally friendly practices can require significant investment and operational changes.

vi) Market Risks

- **Intense Competition:** High competition from local and international brands can pressure prices and reduce profit margins, making it difficult to maintain market share.
- **Consumer Preferences:** Shifts in consumer preferences towards healthier, organic, or alternative products can affect demand for traditional spices and atta.

vii) Technological Risks

- **Technological Advancements:** Keeping pace with technological changes in production, quality control, and packaging requires continuous investment and can be challenging for smaller players.
- **Cybersecurity Threats:** Increasing reliance on digital systems for operations and e-commerce exposes companies to cybersecurity risks, including data breaches and system disruptions.

viii) Operational Risks

- **Production Disruptions:** Equipment failures, labor shortages, or operational inefficiencies can disrupt production and impact product availability and quality.
- **Storage Issues:** Inadequate storage facilities or practices can lead to spoilage or deterioration of spices and atta, resulting in financial losses and potential safety concerns.

ix) Financial Risks

- Cost Management:** Managing production and operational costs while maintaining competitive pricing can be challenging, particularly during periods of raw material price volatility.
- Investment Risks:** Investments in new technologies, market expansion, or product innovation carry financial risks and may not always yield the expected returns.

x) Reputation Risks

- **Brand Image:** Negative publicity due to quality issues, contamination incidents, or environmental concerns can damage a brand's reputation and impact consumer trust.
- **Customer Relations:** Poor customer service or failure to meet customer expectations can lead to loss of business and negative reviews.

INTERNAL CONTROL SYSTEMS AND THEIR ADEQUACY:

The Company has established adequate internal control procedures for the procurement of raw materials and management of inventory, including components and stores. These controls ensure that all materials are acquired and stored efficiently and securely. Controls are in place for the procurement, management, and safeguarding of fixed and other assets. These measures help track asset utilization and prevent unauthorized access or misuse. The Company maintains robust internal controls for the sale of goods, ensuring accurate order processing, invoicing, and revenue recognition. Internal controls cover various aspects of human resource management, including recruitment, payroll, and employee performance, to ensure fair and compliant practices. Quality control and operational management procedures are implemented to maintain high standards of product quality and operational efficiency throughout the production process. The effectiveness of these internal controls is reviewed by independent internal auditors. The Audit Committee of the Board oversees these reviews, incorporating recommendations from top management to address any identified issues. Timely reviews and recommendations are used to strengthen and refine the internal control systems. This ensures that controls remain effective and consistently operational throughout the year.

INDEPENDENT STANDALONE AUDITOR'S REPORT

To the Members of Srivari Spices and Foods Limited

(Formerly known as Srivari Spices and Foods Private Limited)

Report on the Audit of the Standalone Financial Statements

Opinion

1. We have audited the accompanying standalone financial statements of Srivari Spices and Foods Limited *(Formerly known as Srivari Spices and Foods Private Limited)* ('the Company'), which comprise the Balance Sheet as at 31 March 2024, the Statement of Profit and Loss (including Other Comprehensive Income), the Statement of Cash Flow, and notes to the standalone financial statements, including material accounting policy information and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us, the aforesaid standalone financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, including the Accounting Standards prescribed under section 133 of the Companies Act, 2013, read with rule 7 of the Companies (Accounts) Rules, 2014 (as amended), of the state of affairs of the Company as at 31 March 2024, and its profit and its cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the standalone Financial Statements section of our report. We are independent of the Company in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the standalone financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Key Audit matters

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the standalone financial statements of the current year. These matters were addressed in the context of our audit of the standalone financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Standalone Financial Statements and Auditor's Report thereon

5. The Company's Board of Directors are responsible for the other information. The other information does not include the standalone financial statements and our auditor's report thereon.

Our opinion on the standalone financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the standalone financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the standalone financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Standalone Financial Statements

6. The accompanying standalone financial statements have been approved by the Company's Board of Directors. The Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these standalone financial statements that give a true and fair view of the financial position, financial performance including other comprehensive income, and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with the Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the standalone financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.
7. In preparing the standalone financial statements, the Board of Directors is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so.
8. The Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the standalone Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the standalone financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these standalone financial statements.
 10. As part of an audit in accordance with Standards on Auditing, specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
-

- Identify and assess the risks of material misstatement of the standalone financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Company has adequate internal financial controls with reference to standalone financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the standalone financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern; and
 - Evaluate the overall presentation, structure and content of the standalone financial statements, including the disclosures, and whether the standalone financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

Report on Other Legal and Regulatory Requirements

12. As required by section 197(16) of the Act based on our audit, we report that the Company has paid remuneration to its directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
13. As required by the Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act we give in the Annexure A a statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.
14. Further to our comments in Annexure A, as required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
-

- a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the accompanying standalone financial statements;
- b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books except for the matters stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- c) The standalone financial statements dealt with by this report are in agreement with the books of account;
- d) In our opinion, the aforesaid standalone financial statements comply with the Accounting Standards referred to in section 133 of the Companies Act, 2013.;
- e) On the basis of the written representations received from the directors and taken on record by the Board of Directors, none of the directors is disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act;
- f) The qualification relating to the maintenance of accounts and other matters connected therewith are as stated in paragraph 14(h)(vi) below on reporting under Rule 11(g) of the Companies (Audit and Auditors) Rules, 2014 (as amended);
- g) With respect to the adequacy of the internal financial controls with reference to standalone financial statements of the Company as on 31 March 2023 and the operating effectiveness of such controls, refer to our separate report in Annexure B wherein we have expressed an unmodified opinion; and
- h) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - i. the Company does not have any pending litigations which would impact its financial position as at 31 March 2024;
 - ii. the Company did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;
 - iii. there were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company during the year ended 31 March 2024;
 - iv.
 - a. The management has represented that, to the best of its knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Company to or in any persons or entities, including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or

- indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Company ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
- b. The management has represented that, to the best of its knowledge and belief, , no funds have been received by the Company from any persons or entities, including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Company shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
- v. The Company has not declared or paid any dividend during the year ended 31 March 2024.
- vi. Based on our examination which included test checks, the Company, in respect of financial year commencing on or after 1 April 2023, has used an accounting software for maintaining its books of account, however, due to lack of adequate Information Technology General Controls, we are unable to rely on automated controls related to financial reporting in the accounting software and consequently, we are unable to comment on whether the audit trail feature operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of audit trail feature being tampered with.

Annexure B to the Independent Auditor's Report of even date to the members of Srivari Spices and Foods Limited (Formerly known as Srivari Spices and Foods Private Limited) on the standalone financial statements for the year ended 31 March 2024

Independent Auditor's Report on the internal financial controls with reference to the financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the standalone financial statements of Srivari Spices and Foods Limited (Formerly known as Srivari Spices and Foods Private Limited) ('the Company') as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Company as at that date.

Responsibilities of Management for Internal Financial Controls

2. The Company's Board of Directors is responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("framework"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Standalone Financial Statements

3. Our responsibility is to express an opinion on the Company's internal financial controls with reference to standalone financial statements based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to standalone financial statements were established and maintained and if such controls operated effectively in all material respects.
 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to standalone financial statements and their operating effectiveness. Our audit of internal financial controls with reference to standalone financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the standalone financial statements, whether due to fraud or error.
 5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls with reference to standalone financial statements.
-

Meaning of Internal Financial Controls with Reference to standalone Financial Statements

6. A company's internal financial controls with reference to standalone financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of standalone financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to standalone financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of standalone financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the standalone financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Standalone Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to standalone financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to standalone financial statements to future periods are subject to the risk that the internal financial controls with reference to standalone financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to standalone financial statements and such controls were operating effectively as at 31 March 2024, based on framework.

Summary Statement of Significant Accounting Policies & Notes To Financial Statement
1. Company Overview:

Srivari Spices And Foods Limited (Formerly known as Srivari Spices And Foods Private Limited (the company)) is a limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013 on 29 January 2019. Its shares are listed on SME - Emerge stock exchanges in India effective 18 August 2023. The Company is mainly engaged in the business of selling food and food related products. The Company carries on its business in domestic markets only.

2. Significant Accounting Policies
a) Basis of Preparation of Financial Statement:

These financial statements are prepared in accordance with Indian Generally Accepted Accounting Principles (GAAP) under the historical cost convention on the accrual basis. GAAP comprises mandatory accounting standards as prescribed under Section 133 of the Companies Act, 2013 ('the Act') read with the Companies (Accounts) Rules, 2021, the provisions of the Act as amended time to time. The accounting policies adopted in the preparation of financial statements have been consistently applied. All assets and liabilities have been classified as current or non-current as per the company's normal operating cycle and other criteria set out in the Schedule III to the Companies Act, 2013. Based on the nature of operations and time difference between the provision of services and realization of cash and cash equivalents, the company has ascertained its operating cycle as 12 months for the purpose of current and non-current classification of assets and liabilities.

b) Use of Estimates

The preparation of the financial statements in conformity with GAAP requires Management to make estimates and judgments that affect the reported balances of assets and liabilities and disclosure relating to contingent liabilities as at the date of the financial statements and reported amounts of income and expenses during the period for the periods presented. Management believes that the estimates used like Net realizable value of Inventories etc. in the preparation of financial statements are prudent and reasonable. Future results could differ from these estimates.

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

1. Revenue Recognition
Sale of Goods:

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the company and the revenue can be reliably measured.

Revenue is recognised when the significant risks and rewards of ownership of the goods have passed to the buyer which generally coincides with the dispatch/delivery of goods to customers and where there is a reasonable certainty of acceptance of goods by the customer.

Goods & Service Tax are not received by the company on its own account. Rather, it is tax collected on value added to the commodity by the seller on behalf of the government. Accordingly, it is excluded from revenue.

Interest Income:

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

2. Property, plant and equipment

Property, plant and equipment have been stated at cost of acquisition inclusive of expenses directly attributable / related to the acquisition/ construction/erection of such assets. GST and other applicable taxes paid on acquisition of property, plant and equipment are capitalized to the extent not available/ utilizable as input tax credit under GST or other relevant law in force.

Expenditure incurred on renovation and modernization of PPE on completion of the originally estimated useful life resulting in increased life and/or efficiency of an existing asset, is added to the cost of the related asset. In the carrying amount of an item of PPE, the cost of replacing the part of such an item is recognized when that cost is incurred if the recognition criteria are met. The carrying amount of those parts that are replaced is derecognized in accordance with the derecognition principles.

After initial recognition, PPE is carried at cost less accumulated depreciation/amortization and accumulated impairment losses, if any.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on derecognition of the asset (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in the Statement of Profit and Loss when the asset is derecognized.

Depreciation and Amortization

a. Property Plant and Equipment

Depreciation on Plant, Property and Equipment is calculated on a written-down value basis as per useful life of asset prescribed under Schedule II of the Companies Act, 2013.

b. Intangible Assets

In respect of Intangible asset, the company has estimated the useful life of the asset assumed to be 4 years.

3. Impairments

The Company assesses at each reporting date as to whether there is any indication that any property, plant and equipment and intangible assets or group of assets, called cash generating units (CGU) may be impaired. If any such indication exists the recoverable amount of an asset or CGU is estimated to determine the extent of impairment, if any. When it is not possible to estimate the recoverable amount of an individual asset, the Company estimates the recoverable amount of the CGU to which the asset belongs.

An impairment loss is recognised in the Statement of Profit and Loss to the extent, asset's carrying amount exceeds its recoverable amount. The recoverable amount is higher of an asset's fair value less cost of

disposal and value in use. Value in use is based on the estimated future cash flows, discounted to their present value using pre-tax discount rate that reflects current market assessments of the time value of money and risk specific to the assets.

The impairment loss recognised in prior accounting period is reversed if there has been a change in the estimate of recoverable amount.

4. Inventories

Inventories are valued at lower of cost and net realizable value, after providing for obsolesces, if any.

Cost of stores & consumables are computed on FIFO basis and cost of raw materials and finished goods are computed on Weighted average basis.

Cost of Work in Progress and Finished Goods includes direct materials, labour, conversion and proportion of manufacturing overheads incurred in bringing the inventories to their present location and condition. The by-products are valued at net realizable value.

5. Foreign Currency transactions

The functional currency of the Company is Indian Rupee. The transactions in foreign currencies are stated at the rate of exchange prevailing on the date of transactions. The difference on account of fluctuation in the rate of exchange prevailing on the date of transaction and the date of realization is charged to the Statement of Profit and Loss. Differences on translations of Current Assets and Current Liabilities remaining unsettled at the year-end are recognized in the Statement of Profit and Loss. In respect of transactions covered by Forward Foreign Exchange Contracts, the difference between the forward rate and exchange rate at the inception of contract is recognized as income or expenses over the life of the contract. The Company has not entered into any foreign exchange transactions or any forward contracts for the period covered in the restated financial statements.

6. Cash Flow Statements

Cash Flow Statement is prepared in accordance with the Indirect Method prescribed in the relevant Accounting Standard. For the purpose of presentation in the cash flow statement, cash and cash equivalents includes cash on hand and other highly liquid investments with maturities of three months or less that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

7. Borrowing Cost

Borrowing costs directly attributable to the acquisition, construction or production of an asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalised as part of the cost of the asset. All other borrowing costs are expensed in the period in which they occur. Borrowing costs consist of interest and other costs that the company incurs in connection with the borrowing of funds. Borrowing cost also includes exchange differences to the extent regarded as an adjustment to the borrowing costs.

8. Income Taxes

Tax expenses comprises of current and deferred tax. Current income tax is measured at the amount expected to be paid to the tax authority in accordance with the Income tax Act, 1961 enacted in India and tax laws prevailing in the respective tax jurisdiction where company operate.

Deferred tax on timing differences between taxable income and accounting income is accounted for, using the tax rates and the tax laws enacted or substantially enacted as on the balance sheet date. Deferred tax assets recognized only when there is a reasonable certainty of their realization.

9. Earning Per Share

Basis of earning per share are calculated by dividing the net profit or loss for the period attributable to equity shareholder by the weighted average number of equity share outstanding during the period. For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholder and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive equity shares.

10. Provisions and Contingent Liabilities

Provisions are recognised when the Company has a present legal or constructive obligation as a result of a past event and it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation. Such provisions are determined based on management estimate of the amount required to settle the obligation at the balance sheet date.

Contingent liabilities are disclosed in respect of possible obligations that arise from past events but their existence will be confirmed by the occurrence or non-occurrence of one or more uncertain future events not wholly within control of the Company. These are reviewed at each balance sheet date and are adjusted to reflect the current management estimate.

Contingent assets are not recognized or disclosed in the financial statements.

11. Cash & Cash Equivalents

Cash and cash equivalents comprise cash and cash on deposit with banks. The Company considers all highly liquid investments with a remaining maturity at the date of purchase of three months or less and that are readily convertible to known amounts of cash to be cash equivalents.

12. Segment Reporting

Company is operating under a single segment

13. Employee Benefits

Short-Term Employee Benefits

The short term employee benefits expected to be paid in exchange for the services rendered by employees are recognised as an expense during the period when the employees render the services.

Post-Employment Benefits
Defined Contribution Plans

The company has no policy of encashment and accumulation of leave. Therefore, no provision of leave Encashment is made.

Company's contribution to Provident Fund and other Funds for the year is accounted on accrual basis and charged to the Statement of Profit & Loss for the year.

Defined Benefits Plans

The cost of the defined benefit plan and other post-employment benefits and the present value of such obligation are determined using actuarial valuations. An actuarial valuation involves making various assumptions that may differ from actual developments in the future. These include the determination of the discount rate, future salary increases, mortality rates and future pension increases. Due to the complexities involved in the valuation and its long-term nature, a defined benefit obligation is highly sensitive to changes in these assumptions. All assumptions are reviewed at each reporting date.

The company has recognized the gratuity payable to the employees as defined benefit plans. The liability in respect of these benefits is calculated using the Projected Unit Credit Method and spread over the period during which the benefit is expected to be derived from employees' services.

30. Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effect of all dilutive potential equity shares which includes all stock options granted to employees. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares which are to be issued in the conversion of all dilutive potential equity shares into equity shares.

Disclosure as required by Accounting Standard - Earnings per share:	31 March 2024	31 March 2023

INDEPENDENT CONSOLIDATED AUDITOR'S REPORT

To the Members of Srivari Spices and Foods Limited
(Formerly known as Srivari Spices and Foods Private Limited)

Report on the Audit of the Consolidated Financial Statements

Opinion

1. We have audited the accompanying consolidated financial statements of Srivari Spices and Foods Limited (Formerly known as Srivari Spices and Foods Private Limited) ('the Holding Company') and its subsidiary (the Holding Company and its subsidiaries together referred to as 'the Group'), as listed in Annexure 1, which comprise the Consolidated Balance Sheet as at 31 March 2024, the Consolidated Statement of Profit and Loss, and the Consolidated Cash Flow Statement for the year then ended, and notes to the consolidated financial statements, including a summary of the significant accounting policies and other explanatory information.
2. In our opinion and to the best of our information and according to the explanations given to us the aforesaid consolidated financial statements give the information required by the Companies Act, 2013 ('the Act') in the manner so required and give a true and fair view in conformity with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India, of the consolidated state of affairs of the Group, as at 31 March 2024, and their consolidated profit, and consolidated cash flows for the year ended on that date.

Basis for Opinion

3. We conducted our audit in accordance with the Standards on Auditing specified under section 143(10) of the Act. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the Group, in accordance with the Code of Ethics issued by the Institute of Chartered Accountants of India ('ICAI') together with the ethical requirements that are relevant to our audit of the consolidated financial statements under the provisions of the Act and the rules thereunder, and we have fulfilled our other ethical responsibilities in accordance with these requirements and the Code of Ethics. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Key Audit Matter

4. Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the consolidated financial statements of the current period. These matters were addressed in the context of our audit of the consolidated financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters.

Information other than the Consolidated Financial Statements and Auditor's Report thereon

5. The Holding Company's Board of Directors are responsible for the other information. The other information comprises the information included in the Annual Report, but does not include the consolidated financial statements and our auditor's report thereon.

Our opinion on the consolidated financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the consolidated financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements

6. The accompanying consolidated financial statements have been approved by the Holding Company's Board of Directors. The Holding Company's Board of Directors are responsible for the matters stated in section 134(5) of the Act with respect to the preparation and presentation of these consolidated financial statements that give a true and fair view of the consolidated financial position, consolidated financial performance and consolidated cash flows of the Group in accordance with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021 and other accounting principles generally accepted in India. The respective Board of Directors of the companies included in the Group are responsible for maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Group and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Board of Directors of the Holding Company, as aforesaid.
7. In preparing the consolidated financial statements, the respective Board of Directors of the companies included in the Group are responsible for assessing the ability of the Group to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Board of Directors either intends to liquidate the Group or to cease operations, or has no realistic alternative but to do so.
8. Those respective Board of Directors are also responsible for overseeing the financial reporting process of the companies included in the Group.
-

Auditor's Responsibilities for the Audit of the Consolidated Financial Statements

9. Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.
10. As part of an audit in accordance with Standards on Auditing specified under section 143(10) of the Act we exercise professional judgment and maintain professional skepticism throughout the audit. We also:
- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control;
 - Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances Under section 143(3)(i) of the Act we are also responsible for expressing our opinion on whether the Holding Company has adequate internal financial controls with reference to financial statements in place and the operating effectiveness of such controls;
 - Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management;
 - Conclude on the appropriateness of Board of Directors' use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the ability of the Group to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group to cease to continue as a going concern;
 - Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation; and
 - Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group, to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit of financial statements of such entities included in the financial statements, of which we are the independent auditors.
-

11. We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.
12. We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

Report on Other Legal and Regulatory Requirements

13. As required by section 197(16) of the Act based on our audit, we report that the Holding Company, its subsidiaries incorporated in India whose financial statements have been audited under the Act have paid remuneration to their respective directors during the year in accordance with the provisions of and limits laid down under section 197 read with Schedule V to the Act.
14. As required by clause (xxi) of paragraph 3 of Companies (Auditor's Report) Order, 2020 ('the Order') issued by the Central Government of India in terms of section 143(11) of the Act based on the consideration of the Order reports issued, of companies included in the consolidated financial statements and covered under the Act we report that there are no qualifications or adverse remarks reported in the respective Order reports of such companies.
15. As required by section 143(3) of the Act based on our audit, we report, to the extent applicable, that:
 - i) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit of the aforesaid consolidated financial statements;
 - j) In our opinion, proper books of account as required by law relating to preparation of the aforesaid consolidated financial statements have been kept so far as it appears from our examination of those books;
 - k) The consolidated financial statements dealt with by this report are in agreement with the relevant books of account maintained for the purpose of preparation of the consolidated financial statements;
 - l) in our opinion, the aforesaid consolidated financial statements comply with the Accounting Standards specified under section 133 of the Act read with the Companies (Accounting Standards) Rules, 2021;
 - m) On the basis of the written representations received from the directors of the Holding Company, its subsidiaries and taken on record by the Board of Directors of the Holding Company, none of the directors of the Group companies, are disqualified as on 31 March 2024 from being appointed as a director in terms of section 164(2) of the Act.

- n) With respect to the adequacy of the internal financial controls with reference to financial statements of the Holding Company, and its subsidiaries and the operating effectiveness of such controls, refer to our separate report in 'Annexure A' wherein we have expressed an unmodified opinion; and
 - o) With respect to the other matters to be included in the Auditor's Report in accordance with rule 11 of the Companies (Audit and Auditors) Rules, 2014 (as amended), in our opinion and to the best of our information and according to the explanations given to us:
 - vii. There were no pending litigations as at 31 March 2024 which would impact the consolidated financial position of the Group;
 - viii. The Holding Company, its subsidiaries did not have any long-term contracts including derivative contracts for which there were any material foreseeable losses as at 31 March 2024;
 - ix. There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Holding Company, and its subsidiaries during the year ended 31 March 2024;
 - x.
 - a. The respective managements of the Holding Company and its subsidiaries incorporated in India respectively that, to the best of their knowledge and belief, no funds have been advanced or loaned or invested (either from borrowed funds or securities premium or any other sources or kind of funds) by the Holding Company or its subsidiaries, to or in any person(s) or entity(ies), including foreign entities ('the intermediaries'), with the understanding, whether recorded in writing or otherwise, that the intermediary shall, whether, directly or indirectly lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Holding Company, or any such subsidiaries, ('the Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf the Ultimate Beneficiaries;
 - b. The respective managements of the Holding Company and its subsidiaries respectively that, to the best of their knowledge and belief, no funds have been received by the Holding Company or its subsidiaries from any person(s) or entity(ies), including foreign entities ('the Funding Parties'), with the understanding, whether recorded in writing or otherwise, that the Holding Company, or any such subsidiaries, shall, whether directly or indirectly, lend or invest in other persons or entities identified in any manner whatsoever by or on behalf of the Funding Party ('Ultimate Beneficiaries') or provide any guarantee, security or the like on behalf of the Ultimate Beneficiaries; and
 - c. Based on such audit procedures performed by us, as considered reasonable and appropriate in the circumstances, nothing has come to our notice that has caused us to believe that the management representations under sub-clauses (a) and (b) above contain any material misstatement.
 - xi. The Holding Company, its subsidiaries, have not declared or paid any dividend during the year ended 31 March 2024
-

- xii. Based on our examination which included test checks, the Holding Company, its subsidiaries have used an accounting software for maintaining its books of account, however, due to lack of adequate Information Technology General Controls, we are unable to rely on automated controls related to financial reporting in the accounting software and consequently we are unable to comment on whether the audit trail feature operated throughout the year for all relevant transactions recorded in the software or whether there were any instances of audit trail feature being tampered with.

Annexure A

Independent Auditor's Report on the internal financial controls with reference to financial statements under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ('the Act')

1. In conjunction with our audit of the consolidated financial statements of Srivari Spices and Foods Limited (Formerly known as Srivari Spices and Foods Private Limited) ('the Holding Company') and its subsidiaries (the Holding Company and its subsidiaries together referred to as 'the Group'), as at and for the year ended 31 March 2024, we have audited the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, , which are companies covered under the Act, as at that date.

Responsibilities of Management and Those Charged with Governance for Internal Financial Controls

2. The respective Board of Directors of the Holding Company, its subsidiary companies, which are companies covered under the Act, are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India ("framework"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of the Company's business, including adherence to the Company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditor's Responsibility for the Audit of the Internal Financial Controls with Reference to Financial Statements

3. Our responsibility is to express an opinion on the internal financial controls with reference to financial statements of the Holding Company, its subsidiary companies, as aforesaid, based on our audit. We conducted our audit in accordance with the Standards on Auditing issued by the Institute of Chartered Accountants of India ('ICAI') prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls with reference to financial statements, and the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting ('the Guidance Note') issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls with reference to financial statements were established and maintained and if such controls operated effectively in all material respects.

4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls with reference to financial statements and their operating effectiveness. Our audit of internal financial controls with reference to financial statements includes obtaining an understanding of such internal financial controls, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.
5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the internal financial controls with reference to financial statements of the Holding Company, {its subsidiary companies, its associate companies and joint venture companies} as aforesaid.

Meaning of Internal Financial Controls with Reference to Financial Statements

6. A company's internal financial controls with reference to financial statements is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial controls with reference to financial statements include those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls with Reference to Financial Statements

7. Because of the inherent limitations of internal financial controls with reference to financial statements, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls with reference to financial statements to future periods are subject to the risk that the internal financial controls with reference to financial statements may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Holding Company, its subsidiary companies, , which are companies covered under the Act, have in all material respects, adequate internal financial controls with reference to financial statements and such controls were operating effectively as at 31 March 2024, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (“framework”).

Summary Statement of Significant Accounting Policies and Notes to Financial Statements

1. Company Overview

"Srivari Spices And Foods Limited (Formerly known as Srivari Spices And Foods Private Limited (the company)) is a limited company domiciled in India and incorporated under the provisions of the Companies Act, 2013 on 29 January 2019. Its shares are listed on SME - Emerge stock exchanges in India effective 18 August 2023. The Company is mainly engaged in the business of selling food and food related products. The Company carries on its business in domestic markets only. The following is the brief description of the subsidiaries:

a) Srivari Supply Chain Private Limited - (wholly owned subsidiary of the parent) is engaged in the business of supply and logistic management services. "

2. Basis of preparation of consolidated financial statements

"a) The consolidated financial statements have been prepared in accordance with the accounting standards notified pursuant to the Companies (Accounting Standards) Rules, 2006 (as amended) ("the Rules") which are deemed to be applicable as per section 133 of the Companies Act, 2013 ("the Act") read with Rule 7 of the Companies (Accounts) Rules, 2014 (as amended) and other recognized accounting practices and policies generally accepted in India including the requirements of the Act ("Indian GAAP"). The consolidated financial statements have been prepared on an accrual basis. The accounting policies have been consistently applied by the Company and are consistent with those used in the previous year. The consolidated financial statements have been prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented to the extent possible in the same manner as the Company's separate financial statements.

All assets and liabilities have been classified as current or non-current as per the Company's normal operating cycle and other criteria set out in the Schedule III to the Act. Based on the nature of work and the time between the acquisition of assets for processing and their realization in cash and cash equivalents, the Company has ascertained its operating cycle as up to twelve months for the purpose of current and non-current classification of assets and liabilities.

b) Principles of consolidation

Investment in subsidiaries in the consolidated financial statements are accounted in accordance with accounting principles as defined in the Accounting Standard 21 "Consolidated Financial Statements", notified under section 133 of the Companies Act, 2013, read together with Rule 7 of the Companies (Accounts) Rules 2014. The consolidated financial statements are prepared on the following basis:

"i. Subsidiary companies have been consolidated on a line-by-line basis by adding together the book values of like items of assets, liabilities, income and expenses, after eliminating intra-group balances, intra-group transactions and the unrealised profits."

"ii. The excess of the cost to the Company of its investments in each of the subsidiary over its share of equity in the respective subsidiary, on the acquisition date, is recognised in the consolidated financial statements as "Goodwill on consolidation" and assessed for impairment at each reporting date. The

excess of the Company's equity share over the cost of the investment in the subsidiary, on the acquisition date, is recognised in the financial statements as "Capital reserve on consolidation".

"iii. Minorities' interest in net profits of consolidated subsidiaries for the year is identified and adjusted against the income in order to arrive at the net income attributable to the shareholders of the Company. Their share of net assets is identified and presented in the consolidated balance sheet separately. Where accumulated losses attributable to the minorities are in excess of their equity in the absence of the contractual obligation on the minorities, the same is accounted for by the Company."

"iv. As far as possible, the consolidated financial statements are prepared using uniform accounting policies for like transactions and other events in similar circumstances and are presented, to the extent possible, in the same manner as the Company's stand-alone financial statements. "

"v. The financial statements of the entities used for the purpose of consolidation are drawn up to the same reporting date of the Company i.e., year ended 31 March 2024."

"vi. As per Accounting Standard 21, only those notes which are material need to be disclosed. Materiality for this purpose is assessed in relation to the information contained in the consolidated financial statements. Further, additional statutory information disclosed in separate financial statements of the subsidiary and/or a parent having no bearing on the true and fair view of the consolidated financial statements are not disclosed in the consolidated financial statements."

The consolidated financial statements as at and for the year ended 31 March 2024 include the financial statements of the following entities:

Name of the consolidated entity	Country of incorporation	Nature of interest	% of interest
Srivari Supply Chain Private Limited	India	Subsidiary	100.00

3. Use of estimates

The preparation of consolidated financial statements in conformity with Indian GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent liabilities at the date of the financial statements and the results of operations during the reporting periods. Although these estimates are based upon management's best knowledge of current events and actions, actual results could differ from those estimates. Examples of such estimates include provisions for future obligations under employee retirement benefit plans, current taxes, recognition of deferred tax assets, assessment of fair value of consideration attributable to the unexpired portion of service and useful lives of property, plant and equipment.

4. Summary of significant accounting policies

The following significant accounting policies are adopted in the preparation and presentation of these financial statements:

a. Tangible assets

Tangible assets are stated at cost, less accumulated depreciation and impairment losses, if any. Direct costs are capitalized until property, plant and equipment are ready for use. The cost and the accumulated depreciation for property, plant and equipment sold, retired or otherwise disposed off are removed from the stated values and the resulting gains or losses, as the case may be are included in the Statement of Profit and Loss.

b. Intangible assets

Intangible assets are stated at their cost of acquisition, less accumulated amortization and impairment losses, if any. An intangible asset is recognized, where it is probable that future economic benefits attributable to the asset will flow to the enterprise and where its cost can be reliably measured.

c. Depreciation and Amortization

" Tangible assets

Depreciation on property, plant and equipment is calculated on written down value basis as per useful life of asset prescribed under Schedule II of the Companies Act 2013 ."

" Intangible Assets

In respect of Intangible asset, the Company has estimated the useful life of the asset assumed to be 4 years."

" Goodwill

Goodwill represents the excess of purchase consideration over the net book value of assets acquired is evaluated periodically for impairment and impairment losses as recognized where applicable."

d. Impairment

The carrying amounts of assets are reviewed at each balance sheet date if there is any indication of impairment based on internal/external factors. An impairment loss is recognized wherever the carrying amount of an asset exceeds its recoverable amount. The recoverable amount is the greater of the asset's net selling price and value in use. In assessing value in use, the estimated future cash flows are discounted to their present value at the weighted average cost of capital. After impairment, depreciation is provided on the revised carrying amount of the asset over its remaining useful life.

e. Investments

Investments that are readily realizable and intended to be held for not more than a year from the date on which such investment are made are classified as current investments. All other investments are classified as long-term investments. Current investments are carried at lower of cost and fair value determined on an individual investment basis. Long-term investments are carried at cost. However, provision for diminution in value is made to recognize a decline other than temporary in the value of such investments.

f. Revenue recognition

Revenue is recognized to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured. The following specific recognition criteria must also be met before revenue is recognized:

Sale of Goods:-

Revenue from sale of goods is recognized when all the significant risks and rewards of ownership of the goods have been passed to the buyer, usually on delivery of the goods. The Company collects taxes on behalf of the government and, therefore, these are not economic benefits flowing to the Company. Hence, they are excluded from revenue.

Interest Income:-

Interest income is recognised on a time proportion basis taking into account the amount outstanding and the rate applicable.

g. Inventories

Inventories are valued at lower of cost and net realizable value, after providing for obsolesces, if any. Costs include purchase price and other direct expenses incurred to bring inventories to its present condition and location. Cost of stores & consumables are computed on FIFO basis and cost of raw materials and finished goods are computed on Weighted average basis. Cost of Work in Progress and Finished Goods includes direct materials, labour, conversion and proportion of manufacturing overheads incurred in bringing the inventories to their present location and condition. The by-products are valued at net realizable value.

"h. Foreign currency transactions "

Initial recognition

Foreign currency transactions are recorded in the reporting currency, by applying to the foreign currency amount the exchange rate between the reporting currency and the foreign currency at the date of the transaction.

Conversion

Foreign currency monetary items are reported using the closing rate. Non-monetary items which are carried in terms of historical cost denominated in a foreign currency are reported using the exchange rate at the date of the transaction; and non-monetary items which are carried at fair value or other similar valuation denominated in a foreign currency are reported using the exchange rates that existed when the values were determined.

Exchange differences

Exchange differences arising on the settlement of monetary items or on the reporting of monetary items at rates different from those at which they were initially recorded during the year, or reported in previous consolidated financial statements, are recognized as income or as expense in the year in which they arise.

j. Employee benefits**Provident fund**

"Retirement benefit in the form of a provident fund is a defined contribution scheme and the contributions are charged to the Statement of Profit and Loss of the period when the contributions to the respective funds are due. There are no other obligations other than the contribution payable to the respective authorities.

"

Gratuity

Gratuity is a post-employment defined benefit obligation. The liability recognized in the balance sheet represents the present value of the defined benefit obligation at the balance sheet date, together with adjustments for past service costs. Independent actuary using the projected unit credit method calculates the defined benefit obligation annually.

Actuarial gains or losses arising from experience adjustments and changes in actuarial assumptions are credited or charged to the Statement of Profit and Loss in the year in which such gains or losses arises.

Compensated absences

Liability in respect of leave becoming due or expected to be availed within one year from the Balance Sheet date is recognised on the basis of estimated amount required to be paid or estimated value of benefit expected to be availed by the employees. Liability in respect of earned leave becoming due or expected to be availed more than one year after the Balance Sheet date is estimated on the basis of actuarial valuation by an independent actuary using the projected unit credit method.

k. Borrowings Cost

Borrowing costs directly attributable to acquisition, construction or production of asset that necessarily takes a substantial period of time to get ready for its intended use or sale are capitalized as a part of cost of the respective asset. All other borrowing costs are expensed in the period they occur. Borrowing costs consists of interest and other costs that an entity incurs in connection with the borrowing of funds

l. Operating leases

Leases where the lessor effectively retains substantially all the risks and rewards incidental to the ownership are classified as operating leases. Lease rents in respect of non-cancelable operating leases are recognized in the Statement of Profit and Loss on straight line basis.

m. Earnings/(loss) per equity share

Basic earnings per share are calculated by dividing the net profit or loss for the year attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit or loss for the period attributable to equity shareholders and the weighted average number of shares outstanding during the period are adjusted for the effects of all dilutive potential equity shares.

o. Taxes on income**Current tax**

Tax on income for the current period is determined on the basis of taxable income and tax credits computed in accordance with the provisions of the Income-tax Act, 1961.

Deferred tax

Deferred tax charges or credits reflect the tax effect of timing differences between accounting income and taxable income for the period. The deferred tax charges or credits and the corresponding deferred tax liabilities or assets are recognized using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognized only to the extent there is reasonable certainty that the assets can be realized in the future periods, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognized only if there is a virtual certainty of realization of such assets. Deferred tax assets are reviewed at each balance sheet date and written down or written up to reflect the amount that is reasonably/virtually certain (as the case may be) to be realized.

Minimum Alternate Tax

Minimum alternate tax (MAT) paid in a year is charged to the Statement of Profit and Loss as current tax. The Company recognizes MAT credit available as an asset only to the extent that there is convincing evidence that the Company will pay normal income tax during the specified period i.e., the period for which MAT credit is allowed to be carried forward. In the year in which the Company recognizes MAT credit as an asset in accordance with the Guidance Note on Accounting for Credit Available in respect of MAT under the Income-tax Act, 1961, the said asset is created by way of credit to the Statement of Profit and Loss and shown as "MAT Credit Entitlement." The Company reviews the "MAT Credit Entitlement" asset at each reporting date and writes down the asset to the extent the company does not have convincing evidence that it will pay normal tax during the specified period.

p. Provisions and contingent liabilities

Provision is recognized when the Company has a present obligation as a result of a past event and when it is probable that an outflow of resources will be required to settle the obligation, in respect of which a reliable estimate can be made. Provisions are not discounted to their present value and are determined based on management's best estimate required to settle the obligation at the balance sheet date. These are reviewed at each balance sheet date and adjusted to reflect the current management estimates. A disclosure of a contingent liability is made when there is a possible or a present obligation that may, but probably will not, require an outflow of resources.

q. Cash and cash equivalents

Cash and cash equivalents in the balance sheet comprise cash at bank and in hand and short-term investments, with original maturity of less than or equal to three months.

1. Analytical ratios: since this is the first year of consolidated financial statements analytical ratios cannot be performed in the absence of comparatives.

32. Earnings Per Share (EPS)

Basic earnings per share is calculated by dividing the net profit or loss for the period attributable to equity shareholders by the weighted average number of equity shares outstanding during the year.

For the purpose of calculating diluted earnings per share, the net profit attributable to equity shareholders and the weighted average number of shares outstanding are adjusted for the effect of all dilutive potential equity shares which includes all stock options granted to employees. The number of equity shares is the aggregate of the weighted average number of equity shares and the weighted average number of equity shares which are to be issued in the conversion of all dilutive potential equity shares into equity shares.
